

June 9, 2010

Dear Westside Families,

The end of the year is rapidly approaching! We would like to remind you of some special events we have going on.

Thursday, June 10th is the start of our Social Action Fair. An evening of music, drama, and global issue awareness is scheduled to start with dinner at 5:30pm. All students have a role in the production. It will be a long event, as every child wants to share what they've learned. We will have an intermission with brownies and coffee, and will be finishing at 8:00pm.

Friday, June 11th we will be continuing our Social Action Fair, starting at 12:00pm and going until 2:30pm. Families are invited to come check it out! We will have a sandwich bar, where you can build your own for \$2.00 per sandwich.

Monday, June 14th is our end of the year lunch barbeque. Families are invited to come have lunch with their child at 12:00pm. The cost is \$3.00 per adult, and \$2.75 per child.

Tuesday, June 15th is potentially our last day of school, releasing at 12:00pm. The school district is looking at cutting two school days this year, and we will have a firm decision by 4:00pm tonight, June 9th. We will send out a notice as soon as we know.

We look forward to sharing what we've learned with you! We hope all can attend!

Sincerely,
WVMS Staff
